TS 320BPEC

ADVANCED BLOOD PRESSURE
MONITOR WITH ECG

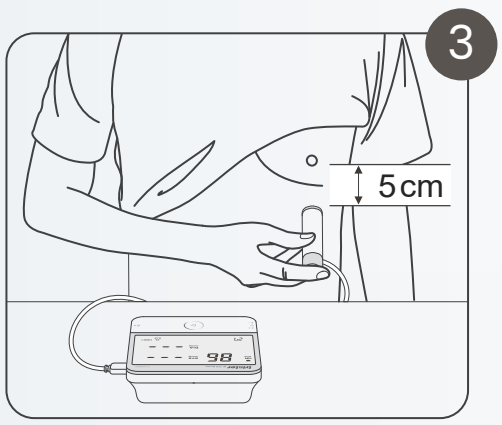

Easy Measurement as 1, 2, 3, 4...

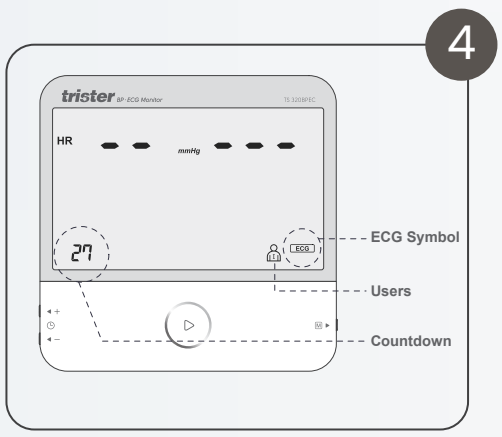

Connect the cable connector of ECG Pen to the port on the right side of the device

Lay your right index finger on the hollow part of top electrode and hold the ECG Pen in your right hand.

Place the bottom electrodes on bare skin about 5 centimeters (2 inches) below your left nipple supported by the ribcage. Press the ECG Pen GENTLY until you hear the click sound.

The Digits Display shows 30 seconds of count down and the ECG symbol will stay on after the ECG measurement start.

- **During ECG measurement :**
  - Measuring period will count down from 30 seconds.
  - The heart rate digits will dynamically show the real-time heartbeat.

- **Note:** The Averaged Heart Rate will only be displayed once the measurement is completed.

Bluetooth Technology

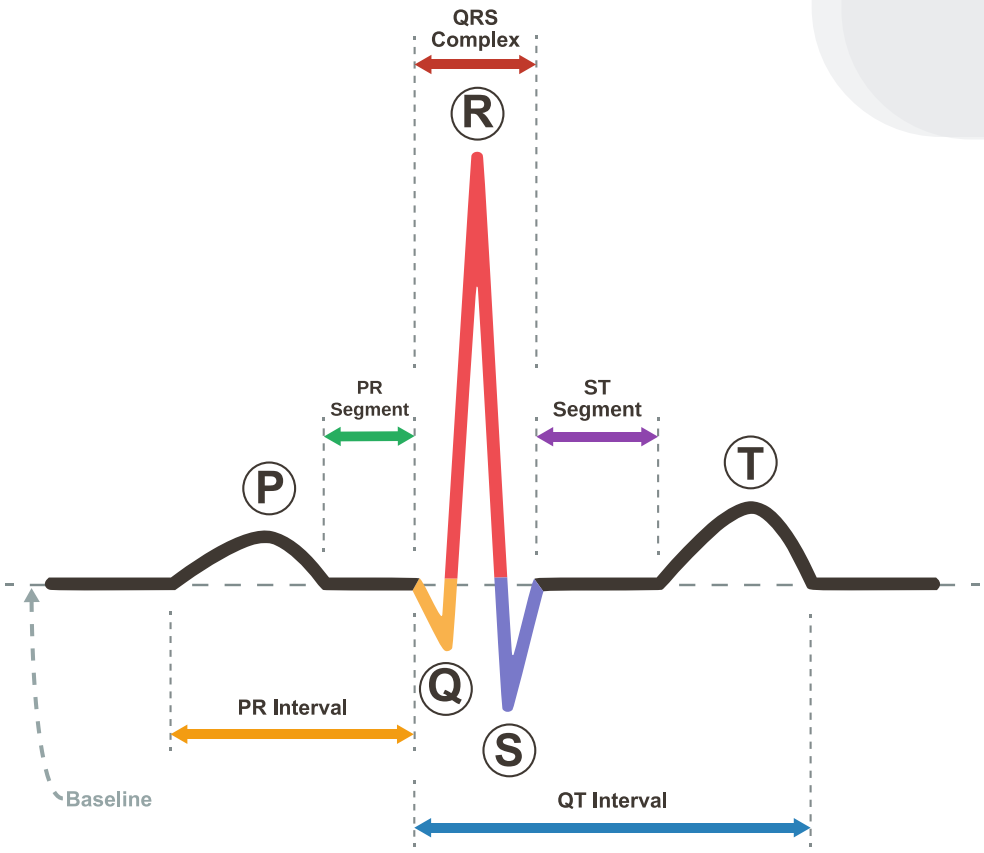

With latest Bluetooth Technology; Trister ECG BPM, provides real-time display of your ECG measurement on Smartphones/Tablets for reviewing your records and sharing with your healthcare provider.
